

A banner with a blue border containing the text "Award Announcements" in a large, bold, blue font. The background of the banner features a light blue and white pattern of dots and lines, with three stylized human figures in blue and red, each with a red spine, positioned behind the text.

# Award Announcements

*The SCRC would like to congratulate the following successful award recipients!*

[Katrina Armstrong](#) received the [2020 Trainee Professional Development Award](#) for her participation in the inaugural *Society for Neuroscience Global Connectome* virtual event held January 11-13, 2021. The TPDA helps promote the advancement of neuroscience career training by providing recipients of the award free access to the Neuronline Community.

*Congratulations Katrina! Posted January 2021*
